

TRAFFIC AND PARKING ON SCHOOL PROPERTY

The Superintendent of Schools shall develop regulations concerning traffic and parking controls on school property. Such regulations shall take into account the need to ensure the safety of all students, staff and others while on school grounds. Parking on school grounds is a privilege that may be withdrawn by school officials.

A copy of such regulations shall be filed with the Police Department of the Town of Niskayuna and the County Sheriff's office. Copies shall also be posted in appropriate places in the various schools and offices of the district.

No unlicensed or uninsured motor vehicles of any type, make or shape shall be permitted upon the property of the Niskayuna School District without specific and written authorization of the Superintendent of Schools.
