Welcome to Niskayuna High School. We would like to share information with you regarding New York State Department of Health and New York State Department of Education laws. If you will be attending school in New York State, the following immunizations are required for admittance to school.

3 doses - Diphtheria and Tetanus toxoid-containing vaccine and Pertussis vaccine. (Dtap/DTP/Td/DT/Tdap)

1 dose - Tdap booster vaccine. (Boostrix or Adacel). Students 11 years of age and older and entering grades 6 through 12 are required to have one dose of Tdap vaccine.

3 doses - Polio Vaccine. (IPV/OPV)

3 doses - Hepatitis B Vaccine. 2 doses of adult hepatitis B vaccine (Recombivax) received at least 4 months apart at age 11 through 15 years will meet the requirement.

2 doses - Measles, Mumps and Rubella Vaccine. (MMR) or a positive blood titer is acceptable proof of immunity.

1 dose - Varicella (Chicken Pox) Vaccine or diagnosis by a physician that a child has had varicella disease is acceptable proof of immunity. A positive blood titer is also acceptable proof of immunity.

1 dose - * Meningococcal Conjugate Vaccine. If the first dose of vaccine was received before the age of 16 years, then a second (booster vaccine) is required.**

Thank you for your attention to these immunization requirements.
